Policy Changes per COVID-19 Dept. of Children & Families & PIL Protocols:

These changes will commence upon reopening and remain in place until further notice. We appreciate your full cooperation and understanding as we all adjust to these new protocols and policies designed to increase health and safety at our centers.

Group Size:

Groups of children will not exceed 30 or recommended classroom capacity. Staff will remain consistent per group as much as possible. Groups will not share materials with other groups. Groups will minimize contact within groups as much as possible as well as when transitioning. Outdoor areas and usage times per group will be scheduled to minimize contact.

Arrival Health Screenings:

Arriving children will remain in their car until an approved center staff member administers health screenings to all those inside the vehicle. Arriving child/children will need to be checked for temperature. Children will not be allowed to enter the center if they show temperature exceeding 100.4 and/or if any person in the vehicle shows a temperature exceeding 100.4. Staff will also conduct a visual inspection of the child for signs of illness (e.g., flushed cheeks, rapid breathing/difficulty breathing without recent physical activity, fatigue, extreme fussiness, etc.).

Staff will sanitize thermometers between child screenings as well as change gloves per screening.

Additionally, parent/guardian will need to respond to the following questions upon each arrival:

- 1) Confirm that child does not have a fever, shortness of breath, or cough
- 2) Was child or household members in close contact with someone with COVID-19?
- 3) Has anyone in the household had symptoms of respiratory illness?

(* Children will not be able to enter building if any of the above responses are “Yes” or if they show symptoms of respiratory illness/COVID-19

Note: staff will be screened in a similar manner before being allowed entrance to the center per shift.

Signs of illness/return to center criteria:

Children and /or staff who have temperature readings above 100.4 will be required to leave ASAP and seek medical attention. A child and/or staff may not return before being symptom free for 72 hours minimum, without medication. A doctor’s note must be provided stating return is medically approved.

As children are waiting for pick up due to elevated temperature, they will be moved to an area of isolation in the center with monitoring by an assigned staff member until parent/guardian arrives. Children with elevated temperatures and/or showing any symptoms of COVID--19 must remain home for 14 days minimum and be symptom free per Dr. note before being allowed to return. Contacting the center upon diagnosis of COVID-19 is highly recommended as soon as possible to help reduce the potential spread of COVID-19.

Additional sanitizing of all areas/materials that were in contact of individuals showing COVID-19 symptoms will be done within 24 hours following potential exposure for safety. Additionally, the Center will seek immediate direction from County Health Department in the event a child or adult on site is diagnosed with COVID-19.

For all other identified symptoms/illness not related to COVID-19 but requiring leaving the center, child and/or staff may not return before being symptom free for 72 hours, minimum without medication. A doctor's note must be provided stating return is medically approved.

Please note, if a COVID-19 test is administered, it is very helpful to notify us and report results. We are required to report positive cases to the Department of Health upon notification.

Wearing of Masks:

Children over 2 years old will be encouraged to wear masks at times when social distancing is not possible, unless they have a documented medical condition that makes wearing a mask unsafe. No child will be forced to wear a mask. Teachers and staff will introduce wearing a mask gently to encourage children to wear a mask during brief times throughout the day, then gradually increase with tolerance. No masks will be worn during rest time, or while eating.

**All staff must wear approved face coverings (e.g., masks) unless they have a documented medical condition that makes wearing a face covering unsafe.*

Naps

Children must bring in own napping blankets, etc. and take home **each day** for washing unless the center can provide individual storage for napping materials. During rest, children will lay head to foot and 6 ft. apart while napping whenever possible. Children **will not** wear masks during rest time.

Lunch/Snacks:

Children must bring in own lunch and snacks daily. No heat ups are allowed at this time to reduce common use of microwaves. Lunches needing to remain cool must come with own ice pack. Children will be separated with table partitions during lunch and snack times. Please speak with your center director regarding any dietary or food concerns.

Materials from home (all must be clearly labeled & be cubby size):

Children must supply the following daily:

- 2 washable face masks of appropriate size
- 2 full changes of clothing (weather appropriate) including socks and shoes
- personal hand sanitizer
- lunch/snack box with beverages (all containers/utensils within are to be clearly marked)
- Bedding supplies (can include 1 soft toy/"Lovey" for sleeping)
- bag or container to carry bedding home daily (must fit in cubby)
- personal changing supplies (if needed own wipes, diapers/pull-ups)

Visitors:

No outside visitors, vendors, entertainers, or those not scheduled to work at the center will be permitted to enter. This includes parents/guardians and family members. Exceptions are for therapists, Emergency personnel or those sent by NJ Dept. of Children and Families Office of Licensing.

Please acknowledge that you have reviewed the Partners in Learning new COVID Policies.

Dear Parents:

This letter is to inform you about our parent fundraising requirement for families attending a Partners in Learning program. As you may already be aware, our licensed childcare centers and programs are operated by Partners in Learning, Inc., a non-profit 501C3 organization. Each year, the fundraisers that we hold and/or participate in help reduce the cost of educating each child, as well as allow us to continue to make improvements. We encourage everyone to participate in the variety of events we organize, as well as help us expand our efforts with any new fundraiser ideas you may have.

Our main event is our Annual Casino Night, held in April. Unfortunately, due to the global pandemic, our last 2 years' of events needed to be cancelled, but we plan to hold this year's event on April 29, 2022. In order to achieve our goals, each parent/guardian has a required fundraising contribution of 2 general admission tickets to this event or 1 ticket for our VIP ticket level. You may use these tickets for your own attendance or sell them to others. We, of course, hope you will help us sell additional tickets to make this event a true fun and successful evening. Like many non-profit organizations, the loss of our prior year's events has had a significant impact on our program, and we truly need your support.

Please review the attached checklist and choose the desired option for your family participation (i.e., 2 general level or 1 VIP level ticket). Only one form is required PER family, even if you have multiple children attending one of our schools. Complete and sign the attached form and submit with your enrollment packet. Deductions for this contribution will occur on November 15, 2021.

All donations received go directly toward keeping our tuition rates low, providing scholarships to needy families, and meeting our yearly fundraising goal. Previous years' goals have allowed us to not only provide scholarships and keep our regular education rates among the lowest in the area, but also to be able to purchase smart boards and iPads for our centers, and new playground equipment at both CAPP and CWA to enrich your children's learning experience at our schools.

Partners in Learning truly appreciates your contribution to our program. If you have any questions regarding participation in our fundraising activities, please feel free to speak with Ms. Ryann, Ms. Danielle, or contact the business office @ 856-374-2821.

Thanks again for your support!

Sincerely,

Kelley L. Dinardo

Kelley L. Dinardo

Partners in Learning, Inc.

Parent Fundraising Requirement Options Per Family

Please choose an option from the list below:

Complete and sign the attached form and submit with your enrollment packet.

Option #1: Casino Night General Admission

Use or sell **2 General Admission (GA) tickets** to our casino night fundraiser, held on Friday, April 29, 2022 – at a cost of **\$55 per person**. No physical tickets will be issued. You may attend the event or re-sell your tickets; however, you must submit the names of those attending on the attached selection form to be placed on our guest list. Additional tickets for friends and family can also be purchased through your child's school or on our website at pilnj.org (coming soon). **All tickets are non-refundable.**

Option #2: Casino Night VIP Admission

Use or sell **1 VIP ticket** to our casino night fundraiser, held on Friday, April 29, 2022 – at a cost of **\$110 per person**. No physical tickets will be issued. You may attend the event or re-sell your tickets; however you must submit the names of those attending on the attached selection form to be placed on our guest list. Additional tickets for friends and family can also be purchased through your child's school or on our website at pilnj.org (coming soon). **All tickets are non-refundable. VIP Admission includes early entrance to our event (6–7pm), 1-hour open bar with Premium Hor d'Oeuvres, Special Gaming plus General Admission.**

Partners in Learning Parent Fundraising Requirement Selection Form

Please circle School: CAPP CWA TLC

Child's Name(s): _____ Parent's Names: _____

Option Choice	Date of Event	# of Tickets	Cost per Ticket	Total Cost	Withdrawal Date
Option #1 Casino Night General Admission	4/29/22		\$55 per ticket		11/15/2021
Option #2 Casino Night VIP Admission	4/29/22		\$110 per ticket		11/15/2021

Family Total Selection Contribution Amount \$ _____ (\$110.00 Minimum Contribution Goal)

In the event that you do not fulfill your fundraising obligation per your selection(s) above, the dollar equivalent of your remaining fundraising requirement will be due and processed via an ACH withdrawal on 4/4/2022, along with any regularly-scheduled tuition payment due on that day.

I give my permission to process an ACH withdrawal from the bank account on file in the corresponding amount chosen above, and/or any balance due in the event I do not fulfill my fundraising requirement.

If PIL does not have a bank account on file, please submit payment by November 15, 2021.

I (we) state that we are the parent(s)/guardian(s) having legal custody of the above child and attest that the information above is correct. I (we) authorize the above child care center director or directors designee to obtain emergency treatment for my child. I consent to an x-ray examination, anesthetic, medical or surgical diagnosis or treatment, and hospital care to be rendered to the minor at a recognized medical facility, under the general or special supervision of a licensed physician or surgeon.

The following steps will be followed in an emergency

1. The parent/guardian will be contacted immediately.
2. The child's physician will be contacted.
3. There will be an attempt to contact you through all of the emergency persons listed on the child's application form.
4. If we cannot contact you or your child's physician, we will do any or all of the following. (a) Call for emergency paramedic assistance/transportation. (b) Call another physician (c) Have the child transported to an emergency hospital in the company of a staff member.
5. The center will not be responsible for complications that may occur as a result of false information given at the time of enrollment.

Dear Parents:

We are so happy to have your child attending CAPP! They will learn so many new and wonderful things.

There are a few mandatory immunization requirements. Per the NJ State Commissioner of Health & Senior Services, every child 12 months through 59 months of age enrolling in or attending a licensed child-care center on or after September 1, shall have received at least **one dose of Pneumococcal Conjugate Vaccine (PCV) on or after their first birthday**. Please check with your doctor if you are not sure of this date. If your child's immunizations do not fall under this new regulation, a new immunization of PCV is required.

If your child is **under** the age of 5 as of Sept. 1, they must also receive at least **one dose of the flu vaccination by December 31**. Prior to December 31, your child may start school if s/he has not had the flu vaccine yet. **We will need a current shot record submitted after the Influenza Vaccine has been given. If your child does not receive the flu vaccine by December 31, your child will not be permitted to return to our center**, per state guidelines, until documentation has been provided that the shot has been given or written explanation for exclusion of the shot has been submitted.

If you enroll your child between January 1, 2022 and March 31, 2022, your child may not start until the flu vaccination is given and documentation is submitted.

Per the State of NJ, children cannot start unless we receive a completed packet which includes all health documents.

If you have any questions, please do not hesitate to call me at 856-374-2821.

Sincerely,

Kelley L. Dinardo

Immunization Record Form

ATTACH HERE

All medical forms must be completed in full, signed, dated and stamped by your child's doctor.

As a condition of enrollment in the program, except for any immunizations for which parents are using a religious/medical exemption for, all medical forms, including a current shot record, must be returned to the school by your child's first day of class. If your child is **under** the age of 5 as of Sept. 1, they must receive a flu shot no later than Dec. 31.

Your child must have had a physical 1 year prior to admission to school. The Universal Child Health Record form must be updated annually.

_____ If your child has a religious or medical exception for immunizations, please check this line **and** submit a letter of exception with your child's Universal Health Record form.

Dear Parents/Guardians:

Please keep the Medication Authorization Form in case medication needs to be disbursed during the school year. This form must be completed by you and your child's doctor and returned to the center before any medication can be disbursed. Additional forms can be found online on our website, partnersinlearningnj.org.

Thank you.
