

Classroom News!

from Prek 4/ TK classroom

For the month of December we will be exploring winter holidays and traditions around the world.

Goals and Objectives

This month we will be work on our fine motor skills and practice writing our names. We will also be working on comparing and measure objectives. Students will practice using conventional grammar and engaging in conversation.

Importance Dates to Remember...

12/4-12/8: Inclusive Schools Week

12/22: Holiday Party Am/ No PM Class

12/25 & 12/26: Christmas Holiday

12/27-12/29: Winter Break Day Care

Centers:

Art: In the art center students will have access to different art material such as paper, crayons, markers, playdough, dotters, stamps, and stamp pads. This month students can work on making holiday artwork. For example, we will use construction paper, glitter, and glue to assemble their own Hanukkah menorah.

Blocks: In our block center, we have various types of blocks to build different structures, roads, and ramps. This month, students will build their own gingerbread houses with blocks.

Fine Motor: In fine motor, we will be adding a variety of fine motor activities that involve using our fingers and hands. We have puzzle, star connectors,, and sticker activities. Students will practice assembling their holiday tree name puzzle.
