Dear Parents:

This letter is to inform you about our parent fundraising requirement for families attending a Partners in Learning program. As you may already be aware, our licensed childcare centers and programs are operated by Partners in Learning, Inc., a non-profit 501C3 organization. Each year, the fundraisers that we hold and/or participate in help reduce the cost of educating each child, as well as allow us to continue to make improvements. We encourage everyone to participate in the variety of events we organize, as well as help us expand our efforts with any new fundraiser ideas you may have.

Our main event is our Annual Casino Night, held in April. Unfortunately, due to the global pandemic, our last 2 years' of events needed to be cancelled, but we plan to hold this year's event on April 29, 2022. In order to achieve our goals, each parent/guardian has a required fundraising contribution of 1 general admission tickets to this event or 1 ticket for our VIP ticket level (Before Care/After Care only students). You may use these tickets for your own attendance or sell them to others. We, of course, hope you will help us sell additional tickets to make this event a true fun and successful evening. Like many non-profit organizations, the loss of our prior year's events has had a significant impact on our program, and we truly need your support.

Please review the attached checklist and choose the desired option for your family participation (i.e., 1 general level or 1 VIP level ticket). Only one form is required PER family, even if you have multiple children attending one of our schools. Complete and sign the attached form and submit with your enrollment packet. Deductions for this contribution will occur on November 15, 2021.

All donations received go directly toward keeping our tuition rates low, providing scholarships to needy families, and meeting our yearly fundraising goal. Previous years' goals have allowed us to not only provide scholarships and keep our regular education rates among the lowest in the area, but also to be able to purchase smart boards and iPads for our centers, and new playground equipment at both CAPP and CWA to enrich your children's learning experience at our schools.

Partners in Learning truly appreciates your contribution to our program. If you have any questions regarding participation in our fundraising activities, please feel free to speak with Ms. Ryann, Ms. Danielle, or contact the business office @ 856-374-2821.

Thanks again for your support!

Sincerely,
Kelley L. Dinardo
