

Classroom News!

From Prek- TK classroom

Centers

Creative Curriculum

We are so excited to be back to school! September starts our Beginning of the Year study. All month long we will learn the names of our friends, teachers and centers! We work together to create the rules for our classroom, centers, and outside! We will make new friends, and have a lot of fun!

What is happening this month?

9/5 Labor Day

9/6 First Day of School

9/21 Back to School night

Next Month...

- 10/10 Tentative Beef n

Beer Fundraiser

-10/31 Trunk or Treat- AM

Art: Our art center is a place where our students can express their feelings, ideas, and be creative! Students will have access to materials such as paper, crayons, water paints, stamps, and play dough.

Science: In the science center, students will explore various natural material like a balancing tool to weigh rocks and observe which pretend bug weights more. Additionally, students will have access to magnifying glasses to examine leaves, sticks, and pinecones.

Blocks: In Blocks we have foam, cardboard, and wooden blocks to build different builds like a pet shop or grocery store. We also can make roads and ramps for cars!

Music: Students have access to variety instruments to explore like maracas, rhythm sticks and bells!

Dramatic Play: We have variety of food, utensils, and menus to play pretend with.

Fine Motor: Students will utilize their fingers and hands while playing with string, beads, puzzles, and star connectors.

Library: Students have access to fall and school theme books. We also have paper and writing utensils to make their own book.
