Dear Business Owner:

Partners in Learning, Inc. is a non-profit organization dedicated to providing young children with autism spectrum disorders with the highest quality Applied Behavior Analysis (ABA) therapy alongside their peers. Our unique community preschool centers offer individualized and inclusive intervention for children with this serious neurological condition. Since 1999, we are proud to report that approximately 85-90% of children who have completed our specialized, center-based ABA program successfully transition back to their home school district by first grade, and do not require segregated out-of-district placements.

Our effective treatment model continues to improve the lives of the children and families that we serve, but we need your help. Since the onset of COVID 19, we have been there to assist children and families from our centers, as well as add additional help for school aged students impacted by autism to get intervention when their schools were closed due to the pandemic. Currently, we continue to innovate in order to reach as many children and families as we can; however, our fundraising efforts have been significantly limited for the last two years. Unfortunately, that loss of financial support has impacted our ability to offer the amount of assistance and scholarships for those in need.

This year, our fundraiser goals are to increase our Student Scholarship Programs, as well as to expand our classroom interactive technology at our centers. Technological access has been especially important during the pandemic to reduce interruption of intervention for all our young learners. To help achieve our goal, we will be “**Re-booting**” and once again plan on hosting our 15th annual spring fundraiser this year:

**Boots & Jeans Themed Casino Night @ Antony and Cleopatra
Williamstown, NJ - Friday, May 13, 2022**

We hope that as a business owner in our community, you can provide support in some capacity for our event. Any item donations for our Casino Night basket or silent auctions, discounts or donations of services, gift cards, cash donations, and much needed sponsorships for our event are tax deductible and greatly appreciated. Donations can be mailed to Casino Night Fundraiser, Partners in Learning, 1880 Glassboro Rd., Williamstown, NJ 08094. To arrange a pickup, please call 856-374-2821 and ask for Lori or Kelley.

Thank you in advance for your support!

Sincerely,

Kathleen McCabe-Odri
