Dear Parents and Guardians:

This letter is to inform you about our parent fundraising requirement for families attending a Partners in Learning program. As you may already be aware, our licensed childcare centers and programs are operated by Partners in Learning, Inc., a non-profit 501C3 organization. Each year, the fundraisers that we hold and/or participate in help reduce the cost of educating each child, as well as allow us to continue to make improvements. We encourage everyone to participate in the variety of events we organize, as well as help us expand our efforts with any new fundraiser ideas you may have.

Our main event is held every April to celebrate Autism Awareness Month. To achieve our goals, each parent/guardian has a required fundraising contribution of 2 general admission tickets to this event or 1 ticket for our VIP ticket level. You may use these tickets for your own attendance or re-gift them to others. We, of course, hope you will help us sell additional tickets to make this event a truly fun and successful evening.

Please review the attached form, for only one form is required PER family, even if you have multiple children attending our centers. Complete and sign the attached form and submit it back to your child's teacher by your child's first day of school. Deductions for this parent requirement contribution will occur on November 1, 2024.

All funds received will go directly toward meeting this year's fundraising goals: Child Sponsorship and Technology Fund. Previous years' goals have allowed us to not only provide scholarships and keep our regular education rates among the lowest in the area, but also to be able to purchase smartboards and iPads for our centers, and new playground equipment at both CAPP and CWA to enrich your children's learning experience at our schools.

Partners in Learning truly appreciates your contribution to our program. If you have any questions regarding participation in our fundraising activities, please feel free to speak with each center's On-Site Director or contact the business office @ 856-374-2821.

Thanks again for your support!

Sincerely,

Kelley L. Dinardo
